Graves School of Business and Management – Morgan State University

Maryland, USA

Graduate Assistant – Capital Market Lab

Aug 2023 – May 2024

- Worked with the Lab Director to provide administrative support, coordinate lab workshops, and organize educational events to boost students' understanding of capital markets.
- Offered expert guidance and hands-on training on using the Bloomberg Terminal, helping students effectively use its features and improve their analytical skills for research and coursework.

Powergen Renewable Energy

Lagos, Nigeria

Finance Associate

Jun 2023 – Aug 2023

- Managed and processed an average of 30 invoices per month on the Enterprise Resource Planning (ERP) system, ensuring accurate billing for local agents and streamlining revenue recognition.
- Collaborated with the Accountant to streamline payment processes through the development of a payment advice and tracker system; achieved a 30% reduction in payment discrepancies and enhanced financial transparency.

KPMG

Lagos, Nigeria

Audit Trainee

Jan 2021 – May 2023

- Conducted a detailed review of cash and cash equivalents, identifying discrepancies and errors across 6 clients' accounts in the financial services industry.
- Reviewed operating expenses for various clients in the financial service industry in Nigeria, ensuring accuracy in over 10 expense categories.

Glover Integrated Technology Solutions Limited

Lagos, Nigeria

Finance Associate

Aug 2020 – Jan 2021

- Extracted, analyzed, and recorded data from various vendors into a database system, generating daily reports that improved efficiency by 25% and supported timely decision-making.
- Performed trade reconciliation and confirmed vendor payments, ensuring high transaction accuracy.

Renager Limited
Finance Officer

Lagos, Nigeria
Jan 2019 – Mar 2020

- Assessed business needs and prospective clients, formulating recommendations that led to a 30% increase in client acquisition and satisfaction.
- Developed and implemented financial policies and procedures, enhancing internal controls and ensuring compliance with regulatory standards.

LEADERSHIP EXPERIENCE

Morgan TechFest
Finance Manager

Maryland, USA
Apr 2024 – Present

- Spearheaded the creation and management of a comprehensive budget for Morgan TechFest, successfully securing sponsorships from key industry partners. Ensured financial efficiency and alignment with organizational goals.
- Collaborated closely with the President and Advisors to streamline payment processes, track expenditures, and ensure timely settlement of invoices and refunds. Maintained strict financial transparency and accountability throughout the event.

MSU Finance TV
Director

Maryland, USA
Jan 2024 – Present

- Leading initiatives to enhance financial literacy among students by creating and promoting informative content across social media platforms. Focused on empowering students with essential financial knowledge, including budgeting, investing, and managing debt.
- Developed and executed a content strategy that resonates with the student audience, utilizing engaging formats such as videos, infographics, and interactive sessions. Successfully increased student engagement and awareness of critical financial topics.

MorganHacks
Finance Manager

Maryland, USA
Jan 2024 – Apr 2024

- Collaborated with sponsors, raised over \$30,000 in funding for MorganHacks, and managed the budget to ensure financial efficiency and oversee resource allocation throughout the hackathon.
- Tracked expenses and coordinated with stakeholders to ensure timely payments and financial accountability, facilitating a successful event.

EXTRACURRICULAR ACTIVITIES

Causeway Capital Mentorship
Mentee

Maryland, USA
Feb 2024 – May 2024

- Engaged with industry mentors to accelerate career growth and development in the financial sector, gaining valuable insights and hands-on learning that enhanced technical and soft skills, and significantly advanced industry readiness.

Turner MIINT (MBA Impact Investing Network & Training)
Participant

Philadelphia, USA
Nov 2023 – April 2024

- Represented Graves School of Business and Management – Morgan State University at the Turner MIINT (MBA Impact Investing Network & Training) competition, where I completed a rigorous 3-month training in impact investing and venture capital. Worked with a team of 5 to pitch WellaHealth, a health tech startup, and won the Audience Choice Award for our group.

CFA Investment Research Challenge
Participant

Maryland, USA
Oct 2023 – Feb 2024

- Led a four-month equity research project on Ashland Chemical, analyzing its financial performance, industry position, and market trends. Developed a detailed DCF model to assess its intrinsic value, forecasting future cash flows and growth prospects. Presented findings and investment recommendations to CFA Institute judges, demonstrating strong analytical skills, strategic thinking, and effective communication.

Black Venture Capital Consortium (BVCC)
Participant

Maryland, USA
Sep 2023 – Nov 2023

- Completed a 10-week intensive venture capital program, gaining practical insights into investment strategies such as deal sourcing, portfolio management, and assessing risk and return. Developed a deep understanding of due diligence and startup evaluation, learning to analyze business models, market potential, and financial health for informed investment decisions.
